"If I am elected as your Department Commander I will work to promote the goals of the American Legion. I am particularly concerned about the needs of the service men and women who are returning from overseas deployment. We must continue to work for benefits for them and their families. I will be available to assist any post throughout the state with any problems you may have. You may feel free to call upon me at any time for help or just to come by and visit. May The American Legion continue to grow and prosper for many years to come. Thank You. For God and Country."
